Join the Undergraduate Chemistry Council (UCC), the Society of Physics Student (SPS), and the General Chemistry team for a showcase of vibrant demonstrations from across the (visible) spectrum!

WHEN: Tuesday, March 10 at 10 am, 11 am, and 1 pm
(you may attend any show)

WHERE: Tech LR3

WHAT: A fun break featuring cool science!

Please contact chemhelp@northwestern.edu with any questions.

STEM Education Brown Bag Lunch

The next STEM education brown bag lunch discussion will take place on **Monday, March 2nd, 2020 from 12 to 1 PM in K126**. We will be discussing the value of teaching inclusively and practices that we can implement in our own classrooms to ensure we welcome and support all students.

- Paper 1: [Implementing inclusive practices in an active learning STEM classroom](#)
- Paper 2: [Want to Reach All of Your Students? Here's How to Make Your Teaching More Inclusive](#)

All are welcome, regardless of familiarity with the literature.

Also, are you interested in leading a discussion? If so, please consider signing up to lead our [April discussion](#). We would love to hear from new or returning voices.

No RSVP necessary. Please reach out to Riki or James

(RikiDrout2021@u.northwestern.edu or schwabacher@u.northwestern.edu) with any questions or concerns.

If you have news or opportunities to share please email Morgan Eklund at morgan.eklund@northwestern.edu
