Opportunities / Announcements

Sam Stupp elected to National Academy of Sciences

Congratulations to Sam for his election to the National Academy of Sciences!

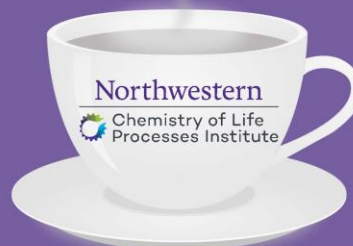

<http://www.nasonline.org/news-and-multimedia/news/2020-nas-election.html>

The National Academy of Sciences is a private, nonprofit institution that was established under a congressional charter signed by President Abraham Lincoln in 1863. It recognizes achievement in science by election to membership, and—with the National Academy of Engineering and the National Academy of Medicine—provides science, engineering, and health policy advice to the federal government and other organizations.
